A vibrant kitchen scene with a light blue background. On the left, a shelf holds three stacks of yellow plates. Below it, a rack holds four kitchen items: a brown pan, a yellow pan, a blue lid, and a yellow cutting board. In the center, a window shows a view of trees. On the right, a pink, furry monster with large white teeth and a red tongue is smiling. Above it are four red hearts of varying sizes. A white thought bubble above the monster contains the text "I like grapes!". In the foreground, a wooden counter holds a slice of watermelon, a bunch of purple grapes, and an orange. Below the counter are six light blue cabinets with white decorative scrollwork. In the bottom right corner, there is a small red-bordered box containing a yellow pencil and a white line.
